

DOULA NETWORKING ACTION PLAN

DOULA CONNECTIONS

PROGRESS TRACKING

Develop a clear outreach strategy that includes social media engagement, collaborations, and events to increase visibility and support for your doula services.

KEY CONTACTS

Identify key contacts who can help enhance your support network. Create a dynamic list of resources for easy access and collaboration.

OUTREACH STRATEGY

Connecting with other professionals is vital for fostering partnerships and creating a trusted network. Utilize social media and local events to engage.

NETWORKING GOALS

Networking is essential for building supportive communities and sharing resources among doulas. Having a collective approach strengthens the impact of our services.

NEXT STEPS

Regular reflections on your outreach strategy will help you adapt to changes and set new goals, ensuring you're always moving forward in your journey.

REFLECTION AND PLANNING

Keep track of your efforts and achievements regularly. This allows you to assess what works best and which areas need improvement or focus.
